Dear Judge,

Why I want to be done with my supervised release.

Why! I did it, I never had any drug problem or drinking or breaking the law. I was never late with my counseling appointments. I am ready to be on my own. I know that I can be a good person in our community and I myself want to keep our community safe.

I know my past is not a Cinderella story but I know that there is a happy ending in my book. Its time to end my chapter in this book and start a new book and new chapter. A new beginning, again with a happy ending.

I thank my counselor, Carmen O'Mallan for trusting me, believing in me. In the beginning, with Carmen, I mentioned to her that I will be very honest with her. I don't know if she believed in me, but I know I believed in myself. I think now Carmen believes in me. Carmen became a good counselor and a friend to me. I want my wings.
